

# COUNT THE ANIMALS!

There are lots of fun animals to see. Let's count how many times each one appears in the book. Use your fingers to help you keep count.

How many times do you see ...

the rhinoceros?

the snake?

the frog?

the giraffe?

the zebra?

the monkey?

the elephant?

the mouse?

the bird?

the lion cub?

the hippo?

# COUNT THE BIRDIES!

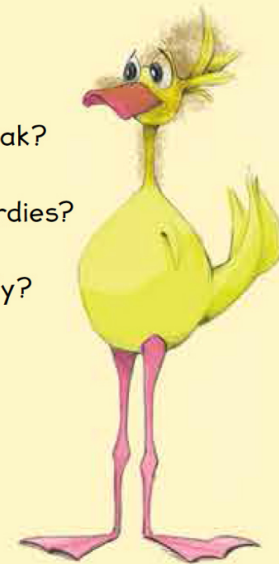

These are pretty silly birdies in funny shapes and sizes. Let's play a counting game and answer the questions. Read the book again. Use your fingers to help you count.

How many spots are on the first dirty birdie?

How many blue dirty birdies are there?

How many dirty birdies have yellow on them?

How many short dirty birdies are there?

How many tall dirty birdies do you see?

How many stripes are on toucan birdie's beak?

How many fans are used to dry the dirty birdies?

How many times do you see the butterfly?
